**To help us understand you it would be helpful to know what your interests and hobbies are. This can be anything that you do or find interesting that you would like to share with us.**

**Hobbies/Interests**

**To help us find ways in which we can increase your potential of a successful career. Please could you tell us what your ambitions are in life. (This could be what jobs you are interested in or any ideas you may have about your future.**

**Ambitions:**

**Please could you tell us how you prefer people to interact/communicate with you and how you like to interact/communicate with others. (For example do you like people to approach you unannounced or is it best to have a set time, contact by email, meetings in person, etc.)**

**Preferred method of Interaction/Communication**

A large, empty rectangular box with a thin black border, intended for the respondent to provide their preferred method of interaction and communication. The box is currently blank.
